

Established in 2017, Pololei Solutions is an **Alaska Native Corporation (ANC)-owned and SBA-Certified 8(a) Small Disadvantaged Business**. Pololei's mix of capabilities and 8(a) certified SDB procurement advantage present a strong tool set to the Federal acquisition community.

These features create a total solutions package that is compelling and can support a variety of acquisition strategies. Pololei represents the cohesion that we bring, as **One Team** with **One Mission**, to each and every project, program, and contract we undertake.

ANC Procurement Advantage

As ANC-Owned 8(a) businesses, we are eligible to receive sole source awards in excess of standard thresholds.

Advantages of the ANC 8(a) set-aside acquisition strategy include:

- Increased contract ceiling value
- Faster procurement cycle times
- Limited ability to be protested
- Permits tailoring of contract terms
- Assists with meeting small business objectives
- Places fewer demands on contracting organizations

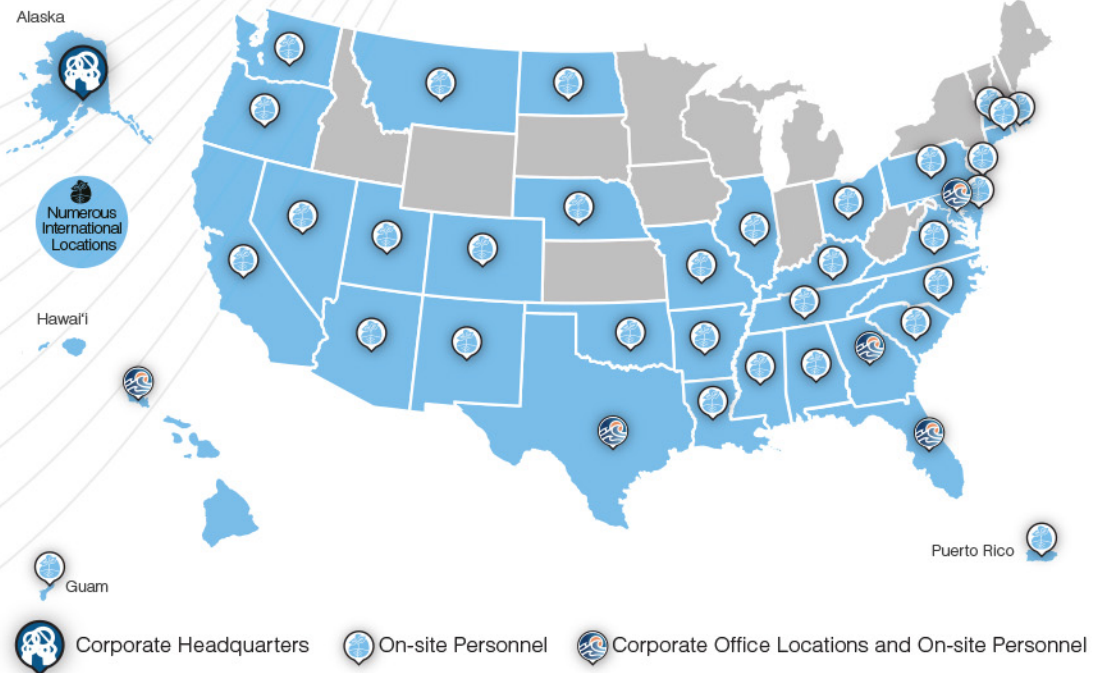

With our procurement advantage, we can respond to any customer requirement. By capitalizing on our ability to source, select, secure, and retain highly qualified personnel, we ensure superior quality and continuous support, and deliver the best value to the Government.

Alpha Contracting

In accordance with 13CFR 124.506(b) our Alaska Native Corporation (ANC)-Owned 8(a) firms are eligible and qualified to receive sole source, direct awards up to \$100M in all NAICS codes.
